## HIGH SCHOOL SONG

O, Huntsville High School hear us singing

Our love and loyalty to thee;

We promise thee our heart's devotion

For now and in the years to be.

We love to see thy shining banner,

Our hearts beat quicker at the sight;

We cheer thy name and pledge allegiance!

All hail, dear green and white!

Beneath the shadows of the pine trees

The days have flown so swiftly by;

We've worked and played and sung together

With eyes upon our ideals high.

Wher'er experience may take us,

As each his duty call obeys;

We'll cherish still the happy memories

Of Huntsville High School days.
